Old Business:

1. Review/Reports on September Events:

- September 11 Tom Perkins, 3rd Annual Lifehouse Ride.
- September 10-26, Motorcycle Cannonball, ride coast to coast on pre-16 motorcycles. www.motorcyclecannonball.com This was tracked on the AMCA National website. YB member Pete Young won the award for most broken crankshafts (2), which means he is now using the 3rd crankshaft on his 1913 Premier. The overall winner was Bradford Wilmarth on a 1913 Excelsior. The top 10 winners were all perfect scores, (3294 miles) so it came down to age of bikes, then even age of riders to settle the rankings.
- September 11th, Saturday, Placerville ride. Put on by Pat Barron, with proceeds to help end domestic violence. Tom Hacker offered space on his property to camp. The ride website is www.kaciesrideforhope.com
- September 12th, Sacramento Cycle Swap Meet. Sacramento Drive in. Admission and Bike Corral are Free. \$6 parking. 7 AM- 1PM. www.toppingevents.com for more info.
- September 12-15, Ft. Sutter Road Run, Lake Tahoe. Steve Brown reported. On the Monday ride, a CHP officer began following Steve. Then 2, then 4. No matter which way Steve went, they just kept following him. When he finally stopped, they parked across the street from him and sat. Since Steve was in the lead, he was the first rider at the stop. Soon the rest of the road ride attendees arrived. The police were joined by official cruisers from both California and Nevada. They approached the AMCA riders and asked to speak to their "leader". Our "leader"? Jim! They sent the officers to Jim Moore, who introduced himself as Jim Moore, retired Lieutenant. It turns out that someone riding a "black motorcycle" took a shot at a police car, and they were looking for the guy. So they finally realized the road run wasn't a biker gang, but asked them to stay off the road for another 30 minutes while they kept looking for the other guy. The final word? They found the guy! The 2nd day of riding was less eventful, but was a beautiful ride around the lake. The 3rd day was a ride to Virginia City.
- September 18th, Antique days in History Park put on by the model T club.

**Yerba Buena Chapter

Rooms start at \$90. You can now call and order a room under the AMCA, There will be 80 rooms on hold. We may test out a caterer on the 49 mile ride. Both Rick and Vince have contacts for caterers.
