Web: <http://www.campingfriend.com/CotillionGardensRVPark/default.asp> We're planning on riding about 125 to 150 miles a day with a lunch stop and a few watering holes mixed in. We'll keep the freeways to a minimum and stick to the mountain and coast roads.

Any questions call Mario @ 408-888-7224 or Brian @ 408-489-9795

We will be based out of The Cotillion Gardens RV park located among the Redwoods just one mile west of the sleepy town of Felton on scenic HWY. 9. Call and make your reservations SOON!! We reserved a large area but it could fill up fast. All sizes of RV's are OK and tent camping is also permitted in these sites. There are five cabins in the park, two of them in the area we have reserved. They are first come first serve so act quick if you want one of them. There's also a large swimming pool and a recreation room that we can use along with community bathrooms with showers.

- **New Business:**
