Antique Motorcycle Club of America**

June 3, 2015 Meeting Minutes

**Meeting called to order:** 7:20 pm

**New Members/Guests:** No new members or guests in attendance.

**Correspondence:** None.

**Treasurer's update:** Treasurer Jeff Beam provided a detailed financial report.

**Old Business:**

• **Review of March activities:**

- Brizio Shop Party: No report.
- Big Sur Ride: Brian Stearns reported they had great weather for this ride. Lunch became interesting when a German tourist decided it would be a good idea to have a seat on Big Mike's (from Ishi Chapter) bike. He will at least think twice before doing that again. They had a great dinner and campfire back at Brian's place in Pacific Grove.
- Quail Motorcycle Gathering: Chris Carter entered 3 bikes and got 2 awards. Keanu Reeves and a couple of other celebrities were there. Clay Hudson brought several military bikes, including his Indian 841, which was featured on the event program cover. Chris Carter sold 11 raffle tickets for the K&L Lift to be given away at Dixon. Next year the theme is pre-'16 bikes.
- Hanford Swap Meet: Vince Spadaro, Rick Najera, Tom Holthaus and Benito Mendoza all went. They reported it was an OK swap.
- Ishi Chapter Show and Swap Meet: There were 15 vendors and 30 bikes in the show. It seemed like more – all in all pretty successful.
- Milpitas 2<sup>nd</sup> Annual International BBQ & Festival Motorcycle Show: This was a low key event. Tom Holthaus reported it was borderline disorganized, but to those of us who attended as spectators it seemed pretty orderly. They had a number of bands, each playing about 1 hour sets, and they were all very good. There were only a few bikes entered in the show.
- K&L Lift – Raffle tickets were available for purchase after the meeting. Curt plans to pick up the lift and store it until the Dixon meet, where it will be given away.
- Road Run
  - Committees – Reports
    - Routes (maps, pre-ride, etc.) – Victor Boocock
    - Registration/signups – Jeff Beam, Joe Keenan, Rick Rutledge
    - Additional Magazine Ad – Rick Najera
    - T-Shirts: No report.
    - Catering – Vince and Benito – venue decision
    - Tent/Facilities – Rick Najera
    - Sponsors & Banner – Curt Hansen
    - Hospitality (setup, decorate, daily stock, coffee, etc.) – Greg Woods and Mark Wiebens volunteered to help out. We still need someone to take the lead on this.
