

Yerba Buena Chapter Inc.
Antique Motorcycle Club of America

Minutes of Meeting: June 5, 2013

Treasurer's Update: 63 Members Plus three new members signed up tonight. Treasurer Jeff Beam reported the current balance in the club's bank account.

We reviewed the May events which members attended.

Quail Motorcycle gathering. Rick and Brian reported this event was much smaller this year and that organizers need to consider changing their direction. Our booth generated no interest in our Club.

Alpine Inn to Cameron's Ride: Ray reported it was a good ride with small turn out, good weather, and should be considered again in the future.

Pre 16 Ride in Atascadero: Victor reported a fun ride and steep 1 day for the pre 16s but a real small turn out. This was a 3 day event. Brian Davis will have pics and update on our web site.

Hanford Swap Meet and Show: Doug and Clay reported improvement over past few years and Clay bought Indian parts. Vendors stayed around more this year. Expect next year to be better yet.

Steinbeck Kings Ride: Victor, Chris, and Mario reported a good time but more riders needed for this 3 day event. The theme was pre 16s but all and any bikes were welcome. Chris suggested a future 2 day ride on one of the routes leaving the first day from Redwood City to Parkfield and returning the second day. You may hear more as things firm up.

Ishi Chapter Swap Meet: Greg Wood reported a much improved meet this year. He guessed that 30 to 40 vendors were there and parts were moving. Keep it in mind for next year.
